ALL-COUNTY LETTER NO. 74-12

TO: ALL COUNTY WELFARE DIRECTORS

CONFIRMATION OF ESEA TELEGRAM OF JANUARY 11, 1974

This is to confirm our telegram of January 11, 1974, concerning the grant amount categories for the January 1974 ESEA-FG/U report. We received an urgent special request from the Department of Health, Education and Welfare for more detailed AFDC-FG/U grant information on the January 1974 ESEA report by January 31, 1974. A more detailed breakdown of grant amounts above \$250 is required by HEW for Congressional hearings to be held in February and March in connection with important legislation to continue the ESEA Title I Project.

The categories are as follows:

Less than \$166.67
\$166.67 - \$249.99
250.00 - 291.66
291.67 - 312.50
312.51 - 333.33
333.34 - 354.16
354.17 - 375.00
375.01 - 416.66
416.67 and over

The due date for this report is extended to January 31, 1974. It is requested that counties telephone the data totals to the Program Information Bureau at (916) 322-2230 or (ATSS) 492-2230 as soon as they are available, to be followed by the typed reports and case listings, as defined in our letter of November 28, 1973.

We are aware that this request creates a problem for a number of counties, but we trust that solutions will be found, because of the substantial benefits which accrue to the State's school children under the ESEA Program.

Sincerely yours,

F. J. NEWLIN
